Introducing
the Reference Framework for European Sustainable Cities

European Sustainable Development Network Conference
Brussels, 28 January 2014
Delphine GAUDART, French Ministry of territorial equality and housing
3 things you should know about the RFSC

- an **online toolkit** designed to help cities promote and enhance their work on integrated sustainable urban development

- a **joint initiative** of the Member States, the European Commission and European organizations of local governments

- a **common space** and language for cities interested in learning from each other, while respecting the diversity of local priorities

RFSC toolkit
Three main sections of RFSC

Three main sections in the RFSC

Your city / Institution Profile

Evaluation tools

Networks - sharing experiences

This website is designed to help you to think about and develop the integrated approach by raising relevant questions on all aspects of sustainable urban development.
Your city/institution profile

- describe your city
- add documents, photos etc
- you can use existing documents
- choose what is useful for other cities to stimulate exchange and learning
Networking/sharing experiences

- Search engine to find other cities to start sharing and learning with
- Directory of cities and institutions
- Catalogue of showcases
Three evaluation tools

1. check list tool to help developing a sustainable strategy
2. qualitative evaluation tool to assess the integrated approach
3. a quantitative evaluation tool with a library of indicators

Choose what suits your needs!
73 RFSC Cities
for RESPECT

for FLEXIBILITY

S for SUPPORT

C for COOPERATION
